Tangoe Mobile Buyback Services

A lot of care is taken to ensure your employees have the mobile assets they need to be productive and efficient. Equally important is the end-of-life care for the corporate fleet, collecting and repairing devices, wiping data to protect your company's intellectual property, and recycling devices in a compliant and environmentally friendly way.

Tangoe Mobile Buyback is a service that enables you to get cash returns on your used devices. With Tangoe Mobile Buyback, you receive a comprehensive trade-in program, including bulk wireless buyback at market-leading rates, repair and reclamation, and recycling services. The service is a seamless and automates the process of sending a prepaid shipping label to end users who are leaving the company or upgrading their devices. End-to-end reporting is available throughout the device journey for visibility and control.
